Spring BBQ & Festival: This Sunday!!!

It is here—and we are ready! Everyone is asked to pitch in and give a hand with the Festival work and in turn, make it a success.

First Communion interviews

The time has arrived and we need to get to the business of the last minute preparations for the celebration of First Communion. The interviews will be in the Church starting at 6:30 P.M. and will be taken as students arrive. Parents do not have to be present, but if the child is struggling, it would be a good idea for at least one parent to be present in case there are some issues that need discussion. This is a serious part of the sacramental preparation and should not be treated lightly. At the conclusion of each interview the parent will be informed if the child will be ready to celebrate the sacraments this year.

Planning ahead...

As most of the parish is aware by now, I will be away for the month of June. I will be presenting my thesis upon completion and taking the comprehensive exams at the end of June. If all goes well, I should be back towards the beginning of July. If there is anything you need to discuss with me concerning June, please get in touch soon. The summer schedule and parish routine will be pretty much as it has been in recent years.

Altar Server Training

Some have asked about the next Altar Server training and when it will occur. As school is coming to a close, and things are starting to be busy with First Communion and Confirmation, and then, graduation—we will not have a training until July.

CCD Closing Mass

CCD will observe the closing of the school year with a Mass at 7 P.M. in the Church. Students are to report directly to the Church. As the Mass will most likely end before 8 P.M., parents should be ready to pick the children up from the Church.

Baptismal Instruction Class

Next Saturday (29th) will be the last Baptismal Instruction class offered before the summer break. The classes will not resume until the last Saturday in August. Registration begins at 9:45 A.M. in the pastor's office and the class is held in the Heritage Room.
