2006 Spring Barbecue & Festival Report

We did a great job coming together and getting the festival accomplished. Again, one of the most wonderful signs could be seen in the hall staying so well filled through the completion of the auction. Thanks to all of the hard working people—especially those who helped with the planning and execution of the important details. Due to our success, we were able to pay the remainder on our insurance premium and put some of the proceeds toward our DSA obligation. Thank you for your commitment and dedication to your Church!!!
