

A reflection from the Pastor

As you know, the bishop has relieved me of my pastoral duties here at St. Patrick's and appointed me pastor of Our Lady of the Gulf in Port Lavaca, and her three missions in Point Comfort, Seadrift, and Port O'Connor. The new assignment will take effect July 14, 2010, at which time the new pastor of St. Patrick's will assume his pastoral responsibilities. The new pastor is the Reverend Samuel Appiasi, current parochial administrator of St. Peter in Blessing and its mission of St. Robert in Markham. Fr. Samuel has been a pastor there for ten years. He will best be able to tell you of his past assignments and life history when he arrives. I do know that he once served as parochial vicar in my home parish of Our Lady of Victory, when I was in the seminary.

I thank you for your many prayers and well wishes over these past four years. It is difficult to believe they have gone by so fast, the time seems so short. Nonetheless, I have been so blessed by being here, my first pastoral assignment, and your tenth pastor. As I wrote for the fiftieth anniversary, where will we be in twenty-five years or five years, we don't know, but we know that we must never shrink from doing the work of proclaiming the Kingdom of God and the salvation won for us by Christ Jesus our Lord. That is the true work of a parish. I ask for your continued prayers as I assume this new responsibility in Port Lavaca. Be assured of my prayers for you.

We welcome Msgr. Larry Steubben, former pastor of St. Patrick's, who is visiting the parish this weekend and concelebrating at all Masses to rekindle his memories of being stationed here. He is presently retired in San Antonio.

Have a blessed week, Fr. Ty

Catholic Identity Quiz

Question:

The artist who painted the Sistine Chapel ceiling in the Vatican at the age of 33 is?

c. Michelangelo

His real name was Michelangelo di Lodovico Buonarroti Simoni (1475-1564), an Italian Renaissance painter, poet, architect, and sculptor. He would come back at the age of 60 to paint the famous altar wall of the Sistine Chapel which depicts the Last Judgment – including of course his own face on the skin of St. Bartholomew. As architect, in 1564 he designed the dome of St. Peter's in Rome, just before his death.
