September 3rd,
St. Gregory the Great,
Pope and Doctor

Born in Rome around 540, Gregory was a senator and civic administrator who at age 35 entered the Benedictine monastery. After five years he was legate to Constantinople, and on this date in 590 became Pope. For 14 years he worked in incomparable fashion-guiding the Church in decadent times, facing the Lombard invasions, sending out missionaries, writing, advancing the liturgy. Gregorian chant is named for him. One of the greatest Popes in centuries, equal to the crises of his age, Gregory the Great died in 604.

September 8th,
Birth of Mary

Since the 16th Century in Jerusalem the birthplace of Mary has been venerated. In the 12th Century this place became the Church of St. Anne. In a real sense, Mary's birth prepared for the Redemption. The nine month span between December 8th and today's feast is to be noted.

Pro-Life Corner:

September 8th - As parents and grandparents we have a crucial, sometimes decisive role in the attitudes of our children and grandchildren toward abortion. Do we pass on a concern for life? Do we convey compassion, so that if our daughter or granddaughter were to become pregnant, she would know she could turn to us for understanding, rather than turn to the abortionist?

God, in your goodness, you have made a home for the poor.
