May 18 – *“I swore never to be silent whenever and wherever human beings endure suffering and humiliation. We must always take sides. Neutrality helps the oppressor, never the victim. Silence encourages the tormentor, never the tormented.” Elie Wiesel. This certainly applies to abortion; the only voice the preborn have is our own.*

Happy Mother's Day

*There is no love, like a mother's love,
no stronger bond on earth...
like the precious bond that comes from God,
to a mother, when she gives birth.
A mother's love is forever strong, never changing
for all time...*

*and when her children need her most,
a mother's love will shine.
God bless these special mothers,
God bless them every one...
for all the tears and heartache,
and for the special work they've done.
When her days on earth are over,
a mother's love lives on...
through many generations,
with God's blessings on each one.
Be thankful for our mothers,
for they love with a higher love...
from the power God has given,
and the strength from up above.*

St. Matthias,
Apostle

Concerning St. Matthias we
know on that, during the time between the
Ascension and Pentecost, he was elected as an
Apostle. Matthias replaced Judas in the Apostolic
College. The feast of Matthias is appropriately
celebrated now, towards the end of Easter time.
Matthias reminds us of the meaning and
