October 7th,
Our Lady of the Rosary

Today's memorial recalls the crucial victory of Christian Europe over the Moslems at the naval battle of Lepanto-Oct. 7, 1571. The victory was attributed to the Blessed Mother, invoked through the Rosary prayer. This memorial however is not of a past event. It reminds us of meditation on the mysteries of Christ with the help of Mary. Such meditation is connected with the incarnation, sufferings and glorious Resurrection of the Son of God.

Pro-Life Corner:

October 11- “The fundamental human right, the presupposition of every other right, is the right to life itself. This is true of life from the moment of conception until its natural end. Abortion, consequently, cannot be a human right — it is the very opposite. It is a deep wound in society.” Pope Benedict XVI
Pray to end abortion.

the days of our lives.*
