Catechism of the Catholic Church

Mary – Mother of Christ, Mother of the Church

In Brief:

973. By pronouncing her “fiat” at the Annunciation and giving her consent to the Incarnation, Mary was already collaborating with the whole work her Son was to accomplish. She is mother wherever he is Savior and head of the Mystical Body.

974. The Most Blessed Virgin Mary, when the course of her earthly life was completed, was taken up body and soul into the glory of heaven, where she already shares in the glory of her Son’s Resurrection, anticipating the resurrection of all members of his Body.

975. “We believe that the Holy Mother of God, the new Eve, Mother of the Church, continues in heaven to exercise her maternal role on behalf of the members of Christ” (Paul VI, CPG 15).

Pro-Life Corner:

November 13 – Did you know that women were told the pill prevents some cancers? Overall, this is a negligible factor as other cancers are increased. A study published in the New England JoM shows pill users with high cholesterol have a 23 times the risk of heart attack. Primary liver cancer, rare in developed countries, is increased 50-70% for women using the pill. Learn more at: ThePillKills.org
